The Can Company is a **205,000 SF** mixed-use building located on Baltimore's Inner Harbor along the vibrant waterfront neighborhood of Canton. The Can Company was a huge part of Canton's revitalization starting in the 1990s. The property rests in between the old Canton neighborhood - blocks of established housing and corner bars and markets - and the new Canton neighborhood - waterfront condominiums, townhouses, and marinas. It is easily accessible to the Baltimore waterfront, the city's many lively neighborhoods including Brewer's Hill, Fells Point, Harbor East, and downtown, all within a five minute drive to I-95.
